

WINTER WALK TO SCHOOL MONTH

February 2021

Foster Celebrates Walk to School Month!

Welcome to Winter Walk to School Month! We are celebrating the event during the week of February 15th-18th. Here at Foster, we want to promote safety, physical activity, learning safe routes to school, and overall health!

We all know that this year has been a little different and this year's event will also be slightly different. We still have some outstanding prizes that will be awarded to participants including: Winter Clothing (hats, gloves), gift cards, tattoos, t-shirts, and more! This year, instead of receiving a ticket upon coming to school, you will be entered into a drawing if complete activities related to walking to school, safe routes, and winter physical activity. In order to be eligible you will need to either:

- 1) Turn a completed activity to your teacher (or Mr. Grether) at school
- 2) Email Mr. Grether with a picture of a completed activity
- 3) Have an adult email Mr. Grether letting him know you have completed an activity

Include:

First and Last Name

Classroom Teacher

Grade Level

The more activities you complete, the more chances you have to win!

Eligible activities

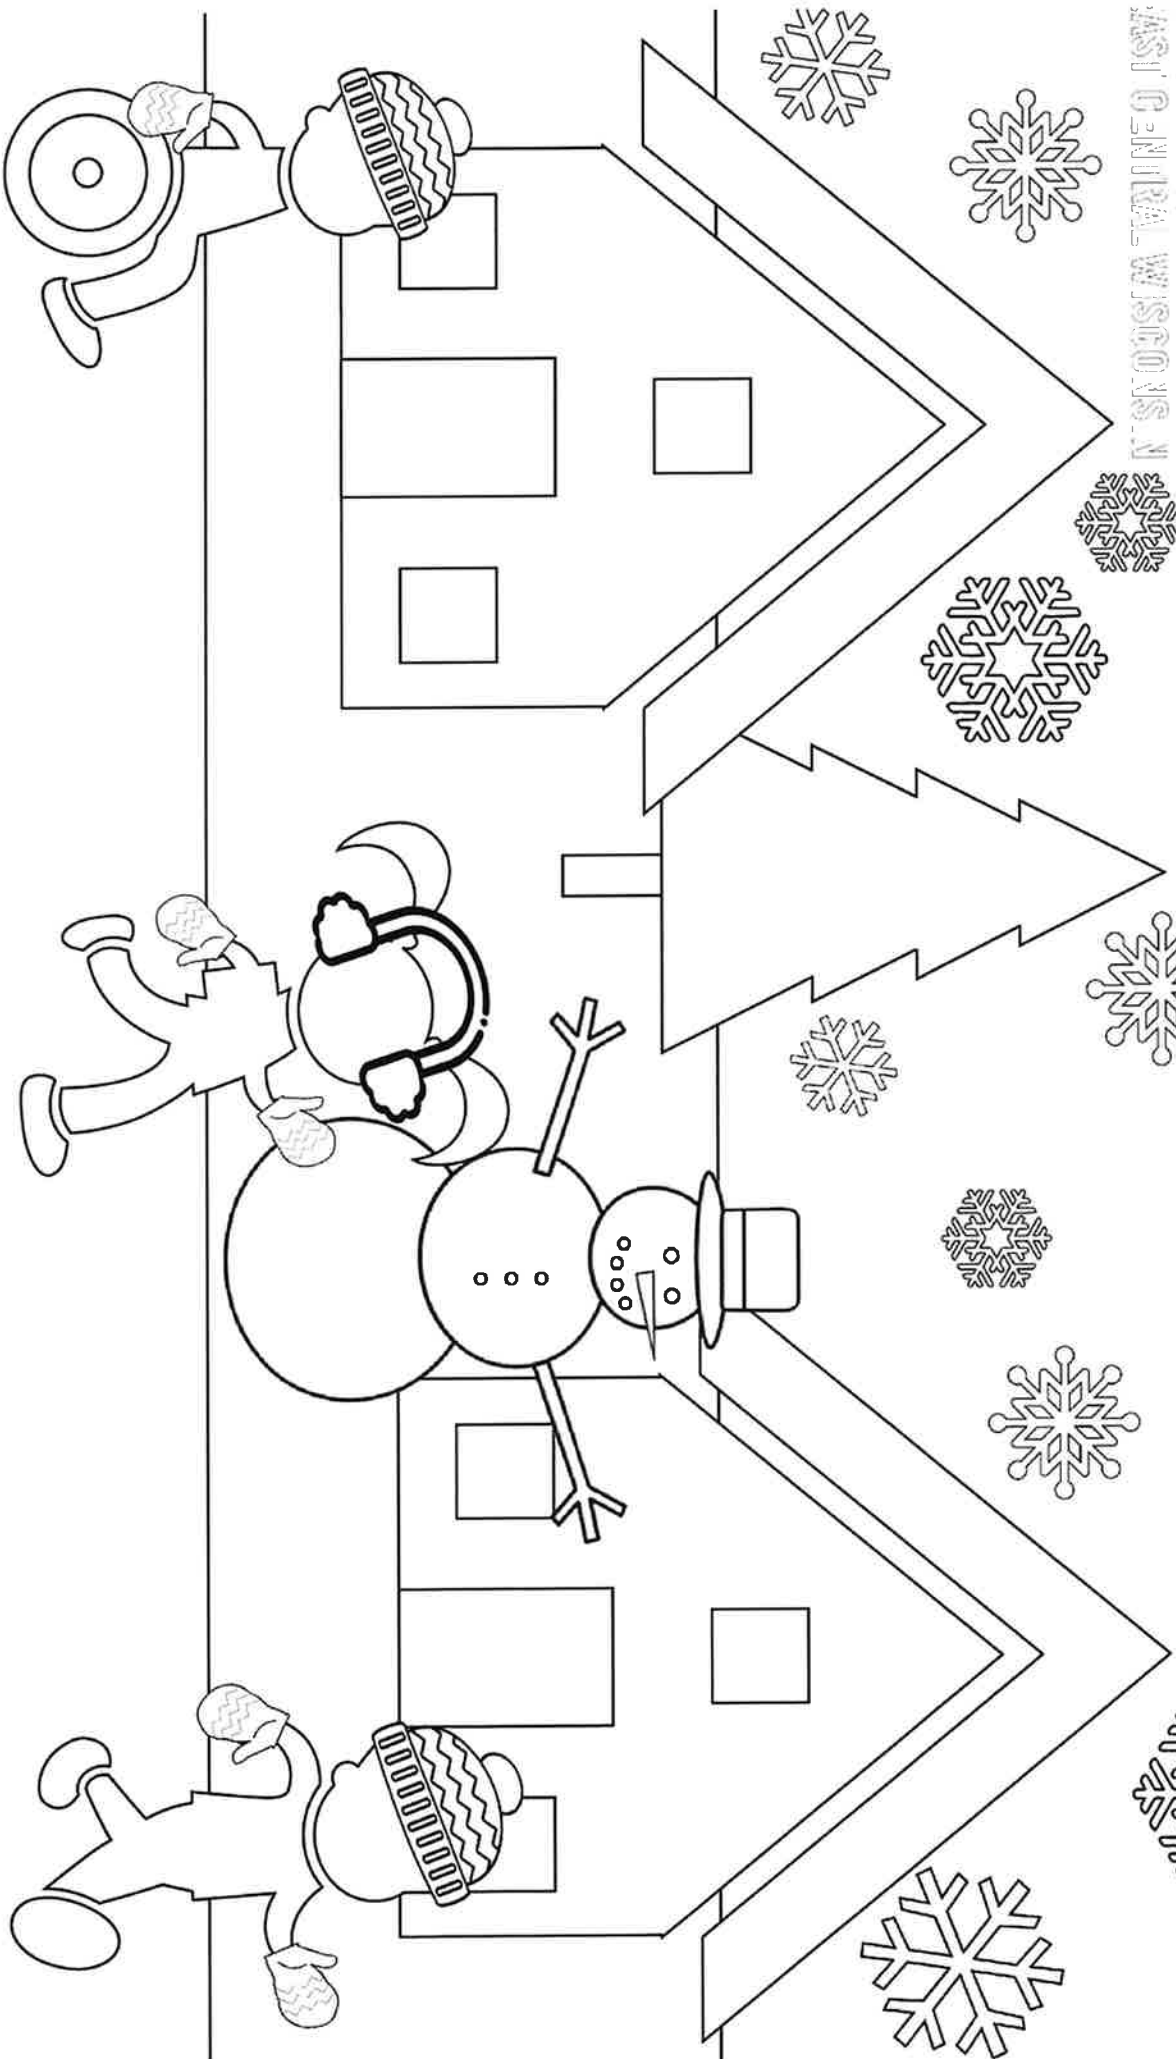

Packet Activities

- **Winter Walk to School Coloring Activity**
- **Winter Animals Facts Activity**
- **Winter Animals Prints Activity**
- **Let it Snow! Word Search**

Outdoor Activities

- **Outdoor Scavenger Hunt**
- **Let's Go for a Walk!**

Name: _____

ANIMALS PRINTS

These animals love walking around in the winter! We found some foot prints in the snow, but we aren't sure who they belong to. Can you help us match the footprint to the animal? Draw a line from the animal to the matching footprint.

Walrus

Moose

2-3.5
inches long

White-tailed Deer

Red Fox

5-7
inches long

_____ Animal Tracks

_____ Pinecone

_____ Shovel

_____ Sled

_____ Cardinal

_____ Squirrel

_____ Pedestrian Sign

_____ Snow Man

_____ Icicle

_____ Snow Plow

Let's Go For a Walk!

Safely walk to a park or local destination in your neighborhood to get outside and enjoy the fresh air! You can build a snowman or make a snow angel with your family! Can't walk to a park safely? That's okay! Walk around the block or play outside for 20 minutes!

This a great time to remind parents and homeowners to shovel their sidewalks to make it safe for community members to walk and get outside in the winter time!

You can email Mr. Grether with a picture or verification at:

grethermichael@aasd.k12.wi.us
